- I love multiline bullet point elements I love multiline bullet point elements
- I love `inline code` * I love paragraphs that start with asterisks

*I love paragraphs that start with asterisks I love paragaphs with * asterisks

I love long multiline paragraphs. They make me happy.

I love paragraphs with inline code `it brings me infinite joy`

I love paragraphs that are really long.

I love headings with `inline code`

```
 |_____|
 |  |XXXXXXXXXXXX|  |
 |  |XXXXXXXXXXXX|  |
 |  |XXXXXXXXXXXX|  |
 |  |XXXXXXXXXXXX|  |
 |  |XXXXXXXXXXXX|  |
 |_____|
       _[_____]_
    __[_____]_
    |        [_____] []|__
    |        [_____] []|  \__
    L_____J    \ \___\/
     _____      /\
    /##################\    (__)
```

I love `inline code` blocks
